Library Tab in Blackboard

Instructions for embedding library tab in Blackboard.

The following steps give faculty detailed instructions on how to create a Library tab in Blackboard.

Note: make sure your Edit Mode is ON

Click on the + symbol to display options.
Click on Content Area
Enter tab name **WCC Library** and be sure to check the box **Available to Users**. Click Submit.
A new tab will be created and placed at the bottom of the course menu. Use the **double arrows** to move the tab up or down.
